**Game On Turns Your Just So Mail into myGOMAIL™.**

**(Richmond, VA)** Game On expands from recruiting software to email letterhead. The company that brought you a simple and affordable solution for managing college athletics recruiting information now brings you a simple and affordable way to enhance how you communicate.

Stand out from the crowd and set your email apart! **Introducing myGOMAIL™**, the place for designing and delivering customized email letterhead/stationery. We've made it **easy, convenient and affordable** for you to design your own professional looking email templates. Impress your prospects, customers, colleagues, and friends. Do away with plain and boring and leave a lasting impression every time you send email.

Create a designer quality look all on your own. No need for additional software or subscriptions to expensive services. All you need is Microsoft Outlook or Outlook Express. With **myGOMAIL™**, you are in control and can produce professional electronic letterhead all by yourself. Of course, if you'd rather, you can work with our designers to create your own custom designed letterhead.

Create your email letterhead for just \$38.95 or work with our designers starting at just \$199. Of course, Game On software customers can create their own letterhead at no additional cost.

**myGOMAIL™** is a must have for every college athletics program, business and family.
